

DISTRICT 6 GOVERNOR MONTHLY NEWSLETTER

OCTOBER 2023 WWW.DOPDISTRICT6.COM

Happy Autumn to the fabulous Sisters of New York State! I hope this newsletter finds you all well and active with a flurry of activities this month. The Lodge and I are anxious to attend many events during our visitations this year including our Fall Conference on October 21st in New Rochelle. Beyond sharing the status of our District and workshop ideas, it is an opportunity to bond with our Sisters and feel like the united District that we are.

Furthermore, last month I mentioned having a section that highlights a chapter or Sister in our District. I did not receive any submissions this month. Please chapter Presidents and Secretaries, I implore you to submit some information to my email for our newsletter and also on Social Media if the Sister doesn't object. I wish you all a wonderful autumn season and look forward to seeing you all at meetings and events.

Much Love in Theta-Pi ΘΠ

Ice Breaker games and activities:

#2 Two Truths and One Lie

A simple and classic ice breaker game. Each sister shares three statements about themselves on a stickie or small paper – two true, and one false. Then, everyone tries to guess which is the lie by asking questions. Try to find out as many details about the statements as possible and watch the Sister's reactions closely. The whole point is to learn facts about your DOP Sisters while inserting an element of mystery.

This icebreaker helps the chapter learn about each other and gives both introverts and extroverts an equal chance to reveal themselves and discover others' assumptions. It's been done before, but if you're looking for simple ice breaker games for a chapter meeting, this is one everyone is sure to know and requires zero prep from the President.
